Anne Fiedler (nee - Fearnley)

Anne was the foundation member of the team who was originally a long jumper, 100m sprinter, 100m hurdler and heptathlete. She was persuaded to train more for 400m where she began to find improvements in all events including 400m hurdles. A late change in focus in Season 01/02 to 800m also found success. Her versatility was outstanding being able to run 100m in the low 12's whilst still being able to run 1500m in the mid 4.30's and the 800m in 2min04 and 400 hurdles in 60secs. She was Vice Captain of the Ringwood State League Premiership team in 94/95 and has been Captain every year thereafter until State League ceased in 05/06. Anne has always competed with the Ringwood Amateur Club joining them as a junior in 1988. Anne retired from athletics at the end of 2005/2006. She has kept fit after missing a season and resumed less serious competition in 2007/2008. She ceased all competition at the end of the 2009 season. She is the owner of "Fearnley Massage Therapy" based at Genesis Gym in Ringwood. She is a serving firefighter of the Metropolitan Fire Brigade (MFB). She had her first child Emily on 23/03/2010. She is returning to running with a view to getting fit and strong again to resume work with the MFB.
