Michael joined the squad at the beginning of season 16/17 after completing his rehab for a knee reconstruction from football. However after joining he suffered a stress fracture due to the favouring of one leg upon his return to athletics and missing season 16/17. He made is pro debut many years earlier having only one race before giving athletics away for many years to just play football. Pro Debut - Season 17/181st Keilor 400m Restricted
