Suli, joined the team to improve his speed and power for his basketball. he has never run track before. He has improved massively since joining the team at the beginning of pre season and he now power dunks the ball with ease. His basketball season starts in February so he will be only seen sporadically after then. He has gathered a passion for aths since training with the squad and expressed a desire to compete aswell so he recently registered and will run his first races in coming weeks.

He is eligible for novice events.
