Last Updated Friday, 22 May 2015

Belinda joined the squad in September 2007. She has an interest in 100m, 200m and Long Jump. She made her first final in her first year at St.Bernards in the Womens 300m. She finished her first season with a highlight by entering and then winning the Stawell Fashions on the Field. She has since won this event another two times in successive years.

Her training and competition has been limited due to her high load of work and social commitments but she is endeavouring to a more consistent effort with her athletics this season.

Belinda has been very busy with work and other commitments and is unlikely to compete until her other commitments reduce.

She is a member of the Ringwood Athletic Club.

Belinda with team members and other family and friends at 2007/2008 Stawell Fashions on the Field.
