Last Updated Saturday, 26 November 2011

Darren joined the team in season 2008/2009 and has previously been playing cricket at a fairly high level for his age. He decided to give cricket a rest this for a while and do athletics instead. He is a member with the Ringwood Athletic Club. At the completion of season 2010/2011 he became too busy with other personal and work commitments and wasn't able to commit to training or racing.
