Cameron is a well credentialled athlete from WA. He contacted Nick a month prior to Stawell 2010 to discuss joining the team for season 2010/2011. He was considering retiring but wasn't sure because he was still performing well in competition. He believed the focus by the team on amos and pros across varying distances would suit him.

Cameron did not compete in the pros in 2014/2015
